

* Volunteers For Outdoor Education *

We are excited that as a parent or legal guardian, you are considering joining us for the Outdoor Education Program. Volunteers of students with medical concerns will be chosen first. All other volunteers are chosen by a lottery. Please fill out the form below and return it by February 22, 2008. The volunteers that are selected by the lottery will be notified March 31st. The cost of the trip for volunteers is \$100.00. Payment for volunteers is due by April 7th. **All volunteers are required to ride the bus.**

What are the duties of an Outdoor Ed. Volunteer?

Working in pairs, volunteers will supervise students at all times. Volunteers will never be alone with a student. Refer any problems or questions to a teacher. Due to limited cabin accommodations that are beyond our control, we are unable to guarantee that all parents will be assigned to their child's cabin. We appreciate your flexibility.

Please check all that apply:

- I love the outdoors and am able to spend all three days, May 19th – May 21st on the scenic Rhode River with a bunch of middle school students. I also understand that I am required to ride the bus to and from the camp.
- My child has a serious health concern that I need to attend.
- I am a doctor or nurse and can assist in the medical station.

I will help organize and run one of the following activities:

- Set up evening snack.
- Volunteer Hospitality Room – make coffee, set up snacks, fill coolers with ice.
- Water stations: fill & transport water jugs, pick up trash, set up cups.
- Cabin Time Activities: Monitor tennis & basketball courts and athletic fields. Monitor sidewalks near cabins.
- Instructional Activities: Orienteering, Beach seining in the water, camping skills, arts and crafts.
- Campfire: set up snack, songs/music.
- Photographer.

All volunteers are required to attend the May 17th meeting from 7 – 8pm in the MVMS cafeteria.
